

BILLINGS

FARM & MUSEUM

Meet **Billings Sultan Bryce**

Born on September 1st, 2006, she is sired (fathered) by SHF Centurion Sultan and her mother is Billings LS BooBoo EX 93. Classified at Excellent 95 (EX 95 - out of 100!), **Bryce is one of the two highest scored cows in our herd.**

Bryce has long been a leading matriarch for our herd, especially being part of the “B” family. To date **she has 10 daughters**, 5 of whom remain in our herd. Her daughters have followed in her footsteps and **5 of her 7 classified daughters scored Excellent.** Two scored Very Good. Her highest scored daughter is Billings Nevada Beckie, EX 94!

You might already know her most famous daughter, Billings Grove Brianna! If you’ve ever met Brianna and wondered where she gets her rambunctious personality, you can be sure Bryce passed that down to her!

Bryce loves attention and will grab hold of your shirt, if given the chance, until you give her a scratch. Although she is 14 years old now – **our oldest cow in the herd** – she thinks she’s much younger!
