Meet **Bryant Farm Academy Frenzi.**

Frenzi was born on July 11, 2013, is sired by BW Academy and her dam is Bryant Farm Plus Fawn VG86. Her 5th Dam (great, great, great-grandmother) is the famed Blacky Rose of Briarcliff EX 96 who was National Grand Champion in 2002.

Frenzi is currently scored EX 94 (out of 100!) and recently gave birth to her 5th calf. Frenzi is a good example of the kind of cows we like to have in our herd as she has had not only a strong show career, but she's also a high milk producer.

Her notable show highlights are:

- ~ 1st place 4 year old Best Udder, 2017 Eastern States Exposition**
- ~ 1st Place 5 year old and Best Udder, VT State Jersey Show 2018**
 - ~ 2nd Place 5 year old, 2018 Eastern States Exposition**
 - ~ 2nd Place Aged Cow, VT State Jersey Show 2019.**

To date, Frenzi has produced 110,832 pounds of milk over her 5 lactations. This breaks down to a whopping 11,083 pounds of cheese or 5,541 pounds of butter!
