

BILLINGS FARM & MUSEUM

Meet **Billings Colton Khaleesi**

Born on November 9th, 2017, she is sired by Chilli Action Colton (her father) and Billings her mother is Gentry Kayla VG88. Her 3rd dam (great grandmother) is Avonlea Jude Karmel EX94 who is **a well-known cow in the jersey breed for her ability to transmit her genetics.**

Khaleesi is currently scored very good (VG) 88 in her first lactation and while she is no mother of dragons, **Khaleesi is due with her second calf in March 2021!**

Khaleesi has quickly become a herd favorite and has a lot of potential for success as she matures. **She has a quirky attitude** and likes to play around in her box stall whenever she gets fresh shavings added, sometimes a little too roughly!
