Meet **MB Lucky Lady Fashion!**

Fashion was born June 3rd, 2016. Her dam (mother) is MB Lucky Lady First Class VG88 and her sire (father) is Hawarden Impulse Premier. Fashion comes from a deep pedigree and is part of one of the **most popular show families in the breed today.**

Her mother's full sister is MB Lucky Lady Feliz Navidad EX93 who was Grand Champion Jersey at World Dairy Expo in 2018 among many other accolades. She is also cousin to **Billings Colton Firestorm**, a herd bull we raised because of his genetics. He has already sired many beautiful daughters.

Fashion herself is currently classified Excellent 90 points and is due with her fourth calf in June. **Fashion loves to be brushed and likes to steal grain** and hay from the cows next to her when she's done eating hers!
