

## BILLINGS FARM & MUSEUM

### Meet **Billings Colton Revolution**

Revolution was born July 4<sup>th</sup>, 2017, as if her name did not already give it away. Her sire (father) is Chili Action Colton, and her dam (mother) is Billings Indiana Raquel EX90. **Revolution recently scored EX91 in her second lactation which is the maximum score a cow can get having had only two calves.**

She gets her sharp looks from a strong maternal pedigree; her dam Raquel was Intermediate Champion at the Eastern States Exposition for Billings Farm in 2015. **Her famous grand dam is RJF Jamaica Rockstar EX95 CAN** (her Canadian score) who was Grand Champion at Eastern States in 2011, Reserve Grand and Senior Champion at the Royal Winter Fair in Canada in 2013 and has countless other accolades!

**Revolution is a bit of a goofball and loves attention.** When our cows go outside in the warmer months, she usually waits to be at the back of the herd so she can walk to pasture with one of us!
